Jerry:

It was a pleasure meeting you today at the site. I appreciate the referral and all the information you were able to provide to EPA. My managers have decided to reassign this project to my colleague, Mike Sibley. Mike's contact information is: Sibley.michael@epa.gov, his cell phone is 206-605-6636, and his office phone is 206-553-1886. I have forwarded to him all of your emails and provided to him your contact information.

Again, it was a pleasure. I'm looking forward to working together on another site in the future.
